

Protect yourself and your community from COVID-19.

- Keep 6 feet apart from people in public.
- Wear a cloth face covering in public.
- Wash your hands often.
- Stay home if you're sick.

Face Coverings

How to wear a face covering.

Cover your nose *and* mouth.

Wear a face covering to help protect others in case you're infected but don't have symptoms.

How to wash.

Cloth face coverings should be washed after each use. You can include your face covering with your regular laundry. Use regular laundry detergent and the warmest appropriate water setting for the cloth used to make the face covering.
