I hereby agree to use the vacuum to clean up lead based paint hazards found on my property according to the manufacturer and videotape recommendations. I also agree to return the vacuum in the condition that it was issued to me, which includes general cleanliness and accountability for all parts. I agree that the vacuum will not be used for monetary gain or for for-profit ventures. I agree to hold the health department that loaned me the vacuum harmless from any and all liability, suits, losses, judgments, damages, or any other demands arising out of the actions or omissions of myself while using the borrowed vacuum. I understand that high efficiency particulate or (HEPA) respirators should be worn while performing any work that creates lead-contaminated dust and that changing the vacuum's collection bag may create lead-contaminated dust. I understand that I should consult my doctor before using a HEPA respirator to make sure I am healthy enough to wear one.
