

PICKLEBALL COURTS

BELDEN PARK

About:

Belden Park in Grafton offers its residents a robust outdoor community space. During the pandemic, it became clear how vital outdoor activities are not only to physical health but mental health as well. To continue offering a diverse range of recreational activities, Grafton Township used the Healthy Places Grant to:

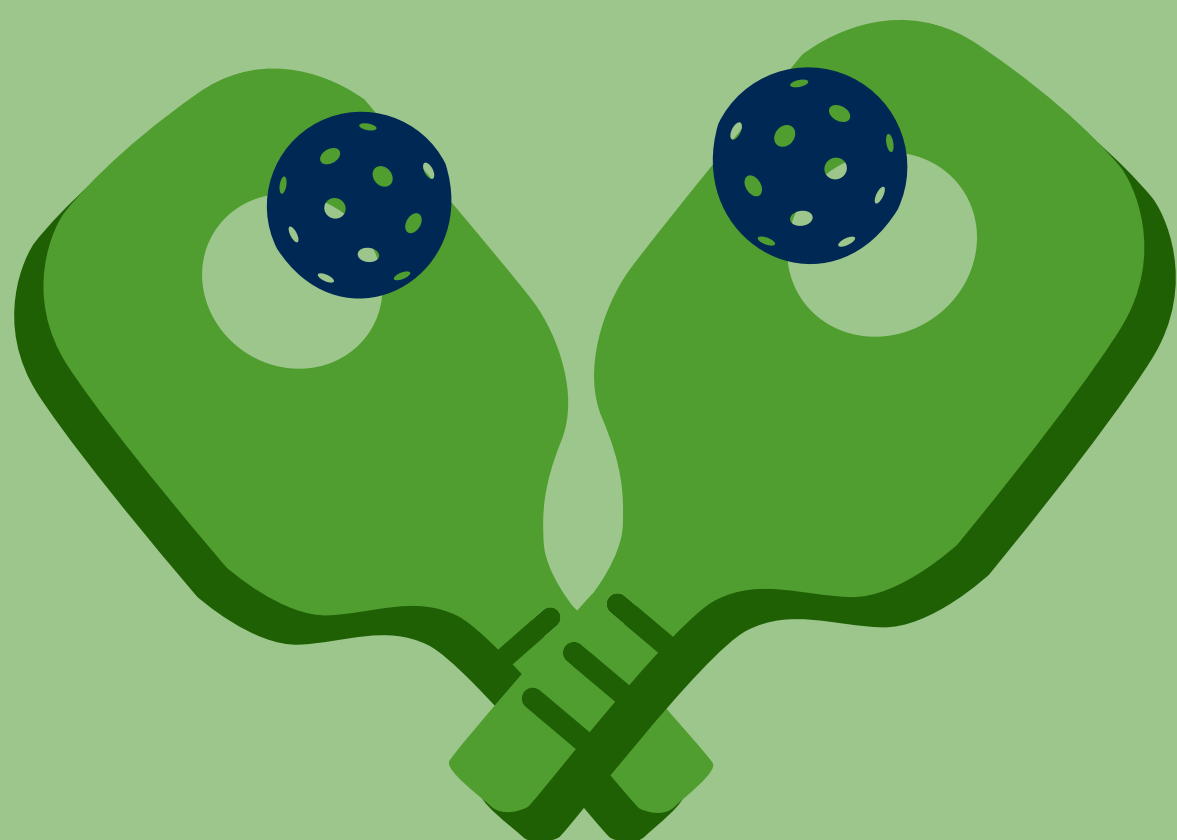

- Install a regulation-size pickleball court

To allow for further long-lasting changes Grafton Township plans to continue developing the parks resources through the addition of more playground equipment and developed park features
