

GET FIT IN KIPTON

KIPTON VILLAGE

About:

Kipton Village has a beautiful park alongside the North Coast Inland Trail, filled with several pieces of playground equipment. To increase the park's accessibility and encourage healthy habits for all, Kipton Village used the Healthy Places Grant to:

- Expand the park by installing a piece of permanent, easily accessible exercise equipment

Kipton hopes to continue developing the park by adding additional equipment to continue reaching members of their community and enriching their park experience!
