

Pickleball Courts

Wellington Community Park

2021

Address:

Johns St.
Wellington, OH 44090

About:

With Healthy Places grant funding, the Village of Wellington opened three new pickleball courts at Wellington Recreational Park.

What is pickleball?

Pickleball is a paddleball sport invented in the mid-1960's as a children's backyard game. It combines elements of tennis, badminton and table tennis. The game is played by singles or pairs using solid paddles made of wood or composite materials to hit a perforated polymer ball over a net. The sport is very popular with older adults, but is enjoyed by all ages.

Financial support of a non-profit, healthy living collaborative, THRIVE will help bring pickleball programming to Wellington residents.

Grantee: Village of Wellington
