SPA

CAUTION

- Pregnant women, elderly persons, and persons suffering from heart disease, diabetes or high or low blood pressure should not enter the spa/hot tub without prior medical consultation and permission from their doctor.
- Do not use the spa/hot tub while under the influence of alcohol, tranquilizers, or other drugs that cause drowsiness or that raise or lower blood pressure.
- Do not use at water temperature greater than one hundred four degrees Fahrenheit.
- Do not use alone.
- Unsupervised use by children is prohibited.
- Observe reasonable time limits (that is, ten to fifteen minutes), then leave the water and cool down before returning for another brief stay.
- Long exposure may result in nausea, dizziness, or fainting.

(or similar language)

SLIDE

- Single user
 - **Water slide. Only one user at a time is permitted: forming “chains” is prohibited.**
 - Recreation slides. Only one user shall be on the platform at any time.
- Always check to see if the landing area is clear before entering the slide. Users shall follow directions from the dispatcher.
- Users shall ride feet first at all time. Stopping or changing positions is prohibited.
- The minimum user height shall be posted. This measurement shall be the **manufacturer’s recommendation** or six inches above the static water level of the pool based on the depth of the pool immediately beneath the flume on the slide.
- For speed slides, users shall remain flat.
- Life jackets or other flotation devices are prohibited other than those designed for the slide and used as directed by the manufacturer.

(or similar language unless otherwise specified by manufacturer)
